## Lets hit the ground running

The truth is that at some time we will emerge from the pandemic and life will become more '*normal*' as we will return to work, school, church and much more.

When that happens, we need to be ready. So NOW is the time to be planning and preparing.

### Did you know this about where we live?

	Spence	Evatt	McKellar
Population (2019)	2626	5276	2826
% Born Overseas	16.6	18.8	27.6
% Home language not English	12.9	15.4	25.3
%age

School	20.5	19.7	18.0
University	5.7	6.5	7.5
Religion Affiliation %	<u>2011</u> <u>2016</u>	<u>2011</u> <u>2016</u>	<u>2011</u> <u>2016</u>

No Religion	20.4 36.3	28.1 35.6	19.6 28.3

What will St Pauls be doing to help people out of the pandemic and into the "ABUNDAENT LIFE" that Jesus promises.

- What needs to change?
- What do we need to make room for?
- What do we need to let go of?

Here are some things we could try....

- Run a Christian bookshop from St Pauls
- Send a Christmas Card to every house in Spence, Evatt and McKellar.
- Afternoon or early evening church (not Sunday) for families of school kids.
- January family fun days (kite flying, concert, multi-age games, ???).

## Something To Think about

*'the sabbath is a time to receive silence and to let it deepen into gratitude'. (Eugene Peterson, "Tell it Slant", p.82)*

Father, thank You for Your beautiful, world-wide multicultural, intergenerational family. Make us a house of prayer for all nations. And set our hearts on fire again with the good news of Your gospel. (Phil Togwell, Lectio 365)
