Supporting Families with Special Needs

Embracing Ministries Team, under the leadership of Rev Andrea de Vaal Horciu, have been given a special exemption by ACT Health to set up a base of operations to distribute emergency food and equipment to the many families with their kids who have significant disabilities who are doing it really tough at home including Malkara Special Needs School who have over 50 families in quarantine.

The wish list includes:

- 🍌 Yummy food (including fresh food during the week)
- 🧸 Toys and things to entertain kids
- 🎱 Chew toys and sensory toys
- 🍷 Things to treat our parents and adult family members

Financial support can be directed to BSB: 702 389 ACC: 0520 9842 (Please mark your donation COVID.)

News from PC

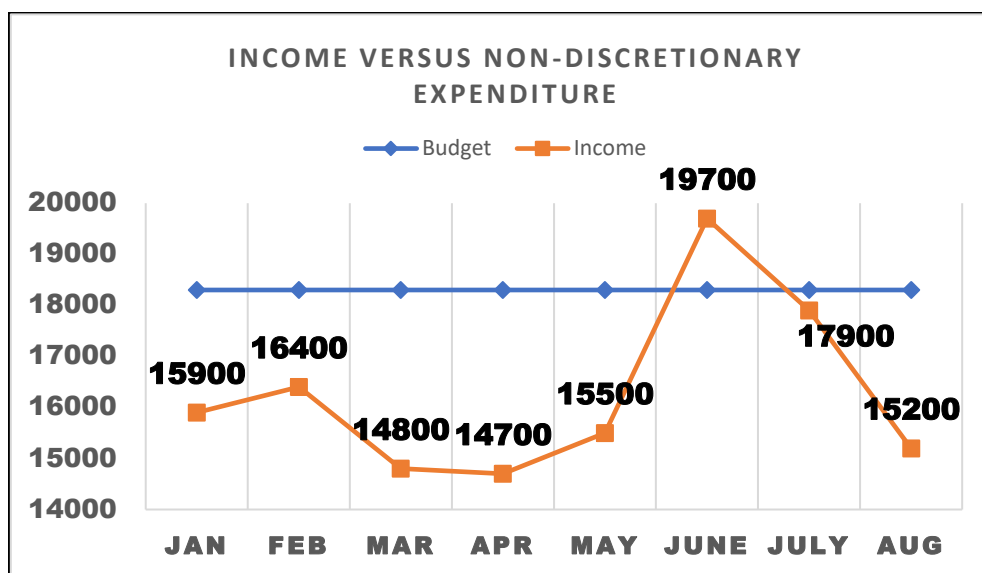

Report from the September Parish Council meeting.

The Parish Council held a special meeting by ZOOM on 16th August to discuss the necessary arrangements during the current COVID lockdown, and its normal meeting was held on 13 September by ZOOM.

Chris Lemon attended the regular meeting to give an update on Coffee Corner. Although now in lockdown, Coffee Corner has been progressing strongly and the Council expressed its appreciation to those who are involved in this ministry.

The Council is continuing to consider opportunities to maximise the use of the Parish Centre. For example, JCE which is a training organisation with offices at the Mt Rogers Community Centre has used the Parish Centre for some classes with the students having lunch at Coffee Corner.

The accumulated deficit for 2021 between income and non-discretionary expenditure to the end of August is \$16,300.

If anyone has any matter that they would like the Council to consider, please contact Janet. The next regular meeting is on 11 October.

A Sign of the times

This new double-sided sign sits on the footpath next to our driveway so that it can be clearly identified day and night as the entrance to the St Pauls Parish Centre and Church.

The bottom half has space for up to 4 panels identifying our community-based activities like HHFP and Coffee Corner.

Lessons we learned in Lockdown

Sometimes there were unexpected opportunities!

Others explored new interests and hobbies... such as gardening!

Still others worked on their interpersonal communication skills.

Wi-Fi went down for five minutes, So I had to talk to my family. They seem like nice people.

I put the thingamabob inside the whatchamacallit & turned the doohicky & the doodad is still not working. Any ideas?

And some discovered something new about themselves!

Something to think About

If there is one think you could change about yourself, to help in your Christian walk... what would that be?

Now that you have thought about it.... **PRAY ABOUT IT!**

*Don't worry about anything; instead, pray about everything;
tell God your needs, and don't forget to thank him for his answers.
