

After almost 25 years in the Mount Rogers Community Centre in Spence, St Paul's Ginninderra is on the move.

The move is necessary to maintain a healthy financial position and to allow us to carefully consider how we will continue to serve the community in West Belconnen long into the future.

BUT...

We will still be St Paul's ...just in new places.

Look out for information about celebrations to mark the end of an era and the beginning of a new one for our community.
